

Stainless Steel Closed Water Cooling Tower

Basic Information

- Place of Origin: China
- Brand Name: huarui
- Certification: ISO9001
- Minimum Order Quantity: 1 unit
- Price: USD10000-1000000
- Delivery Time: 15-30 days
- Payment Terms: L/C, T/T
- Supply Ability: 1000 sets per mt

Product Specification

- Highlight: stainless steel closed cooling tower,
closed water cooling tower,
industrial closed cooling tower

Product Description

The advantage of our cooling tower:

1. The design of shell is open. Door and windows is independent. It can be taken down to inspect and clean the core of internal circulation system.
2. Intelligence water cooling control box. It has phase loss,down voltage,overloading protector. It also has simulated water column to level the water in the box.
3. The input end of internal circulation system has filter system to avoid the sundries to enter the equipment causing failure.
4. Reasonable design of air blower and spray. It can save water by reducing loss.

Pump:Normally, it need two pumps for auxiliary cooling system of furnace, one pump for auxiliary cooling system of electric panel, two pumps for main cooling system to spray.
